INFORMATION ABOUT THE ANNUAL MEETING

Date, Time and Place of the Annual Meeting

Our 2009 Annual Meeting will be held at 10:00 a.m., local time, on Friday, May 15, 2009 at the Baltimore Marriott Waterfront, 700 Aliceanna Street, Baltimore, MD 21202.

Who May Attend the Annual Meeting

Only stockholders who own our common stock, par value \$0.01 per share (our "Common Stock"), as of the close of business on March 24, 2009, the record date for the Annual Meeting (the "Record Date"), will be entitled to attend the Annual Meeting. In the discretion of management, we may permit certain other individuals to attend the Annual Meeting, including members of the media and our employees.

Who May Vote

Each share of our Common Stock outstanding on the Record Date entitles the holder thereof to one vote on each matter submitted to the stockholders at the Annual Meeting. Only stockholders who own our Common Stock as of the close of business on the Record Date are entitled to notice of, and to vote at, the Annual Meeting. As of the Record Date, there were [10,156,350] shares of our Common Stock, issued and outstanding.

How to Vote

If you were a stockholder as of the Record Date, you are entitled to vote at the Annual Meeting, and we encourage you to attend and vote in person. **HOWEVER, WHETHER OR NOT YOU INTEND TO ATTEND THE ANNUAL MEETING, THE BOARD OF DIRECTORS REQUESTS**

THAT YOU COMPLETE, SIGN, DATE AND RETURN THE ACCOMPANYING PROXY CARD IN ORDER TO ENSURE THE PRESENCE OF A QUORUM. A pre-addressed and postage-paid return envelope is enclosed for your convenience. Alternatively, you may cast your vote via the internet at www.proxyvote.com or by phone by calling 1-800-690-6903.

If your shares are held in the name of a bank, broker, or other holder of record, you will receive instructions from the holder of record that you must follow in order for your shares to be voted. If your shares are not registered in your own name and you plan to vote your shares in person at the Annual Meeting, you should contact your broker or agent to obtain a broker's proxy card and bring it to the Annual Meeting in order to vote.

Voting by Proxy

If you vote by proxy, the individuals named on the proxy, or their substitutes, will vote your shares in the manner you indicate. If you date, sign, and return the proxy card without indicating your instructions, your shares will be voted as follows:

- For the election of the Class II nominee for director to serve until the Annual Meeting of Stockholders in 2012 and until his successor is duly elected and qualified;
- For the approval of the amendment to our Certificate of Incorporation, as amended (the "Certificate of Incorporation"), to decrease the number of authorized shares of all classes of stock from 250,100,000 to 75,100,000 and the number of authorized shares of common stock from 250,000,000 to 75,000,000;
- For the ratification of the appointment of Stegman & Company as our independent registered public accounting firm for 2009;
- For the proposal to adjourn the Annual Meeting to another time or place for the purpose of soliciting additional proxies, if proposed; and
- In the discretion of the proxy holder on any other matter that properly comes before the Annual Meeting.

You may revoke or change your proxy at any time before it is exercised by delivering to us a signed proxy with a date later than your previously delivered proxy by voting in person at the Annual Meeting, or by sending a written revocation of your proxy addressed to our Secretary at our principal executive office. Your most current proxy card is the one that will be counted.

Quorum Requirement

A quorum is necessary to hold a valid meeting. The presence, in person or by proxy, of stockholders entitled to cast a majority of all the votes entitled to be cast at the Annual Meeting constitutes a quorum for the transaction of business. Abstentions and broker non-votes are counted as present for purposes of establishing a quorum. A "broker non-vote" occurs when a broker, bank or other holder of record holding shares for a beneficial owner properly executes and returns a proxy without voting on a particular proposal because such holder of record does not have discretionary voting power for that particular item and has not received instructions from the beneficial owner.

Vote Requirements

The election of the Class II Director at the Annual Meeting will be by plurality vote of the votes cast. This means that the director nominee receiving the greatest number of votes cast, in person or by proxy, by the holders of Common Stock in the election of the Class II Director, will be elected. Stockholders may not cumulate their votes in electing directors. Stockholders entitled to vote at the Annual Meeting may either vote "FOR" the nominee for election as a director or may "WITHHOLD

AUTHORITY" for the nominee. Shares represented by executed proxies will be voted, if authority to do so is not withheld, for the election of the nominee named below. If a stockholder withholds authority to vote with respect to the nominee for director, the shares held by that stockholder will be counted for purposes of establishing a quorum, but will have no effect on the election of the nominee. Broker non-votes will have no effect on the election of the nominee.

Stockholders may vote "FOR" or "AGAINST" or may "ABSTAIN" on Proposal 2, to amend the Certificate of Incorporation to decrease the number of authorized shares of all classes of stock from 250,100,000 to 75,100,000 and the number of authorized shares of common stock from 250,000,000 to 75,000,000 (the "Amendment"). The affirmative vote of the holders of a majority of the outstanding shares will be required to approve the Amendment. Abstentions and broker non-votes will have the same effect as a vote against Proposal 2.

Stockholders may also vote "FOR" or "AGAINST" or may "ABSTAIN" on Proposal 3, to ratify the selection of Stegman & Company as the Company's independent registered public accounting firm for the year ending December 31, 2009. The affirmative vote of the holders of a majority of the shares present in person or represented by proxy and entitled to vote on the proposal will be required to ratify the selection of Stegman & Company. Abstentions will have the same effect as a vote against Proposal 3, but broker non-votes will have no effect on Proposal 3.

Stockholders may also vote "FOR" or "AGAINST" or may "ABSTAIN" on Proposal 4, to adjourn the Annual Meeting to another time or place for the purpose of soliciting additional proxies, if proposed. The affirmative vote of the holders of a majority of the shares present in person or represented by proxy and entitled to vote on the proposal will be required to adjourn the Annual Meeting, if proposed. Abstentions will have the same effect as a vote against Proposal 4, but broker non-votes will have no effect on Proposal 4.

Other Matters

Our Board of Directors knows of no other matters that may be presented for stockholder action at the Annual Meeting. It is not anticipated that other matters will be brought before the Annual Meeting. If other matters do properly come before the Annual Meeting, or any adjournments or postponements thereof, however, persons named as proxies will vote upon them in their discretion.

Information about the Proxy Statement and the Solicitation of Proxies

The enclosed proxy is solicited by our Board of Directors and we will bear the costs of preparing, assembling, printing and mailing this Proxy Statement, accompanying Proxy Card, Notice of Annual Meeting of Stockholders and the Company's 2008 Annual Report on Form 10-K, as well as any additional materials that we may furnish to stockholders in connection with the Annual Meeting. Copies of our solicitation materials will be furnished to brokerage houses, fiduciaries and custodians to forward to beneficial owners of stock held in the names of such nominees. We will, upon request, reimburse those parties for their reasonable expenses in forwarding proxy materials to their beneficial owners. The solicitation of proxies will be by mail and direct communication with certain stockholders or their representatives by our officers, directors and employees, who will receive no additional compensation therefor.

COMMITTEES OF THE BOARD OF DIRECTORS

The Board of Directors presently maintains separately designated Audit, Compensation, and Nominating and Governance Committees. The Audit Committee's principal responsibilities are to review financial statements and reports filed by the Company with the SEC, select annually a firm of independent accountants to conduct the annual audit of the Company's financial statements, assess the independence of the Company's independent auditors and meet with the independent auditors from time to time in order to review the Company's general policies and procedures with respect to audits, accounting and financial controls. Mr. Weaver (Chairman) and Drs. Link and Chow, each of whom is independent under the applicable rules of The NASDAQ Stock Market ("NASDAQ") and Rule 10A-3 under the Exchange Act currently serve on the Audit Committee.

The Compensation Committee is responsible for establishing and administering the compensation policies applicable to the Company's directors, officers and key personnel, for recommending compensation arrangements to the Board of Directors and for evaluating the performance of senior management. The Compensation Committee does not delegate the authority to approve compensation policies and actions affecting the Company's Named Executive Officers or directors. The Compensation Committee applies discretion in determining compensation for the Company's executives. The Compensation Committee has not established any equity or other security ownership requirements or guidelines in respect of its executive officers. The President and Chief Executive Officer assists the Compensation Committee in evaluating the performance of other executive officers and by providing information to directors as and when requested, such as salary surveys and compensation paid by the Company's competitors, to the extent such information is publicly available. Members of the Compensation Committee undertake to verify such information prior to referring to it in determining

executive compensation. The compensation of the President and Chief Executive Officer is determined by the Compensation Committee based on the Compensation Committee's evaluation of his performance and with reference to such external or competitive data as they consider necessary.

Drs. Pace (Chairman) and Link and Mr. Weaver currently comprise the Compensation Committee. Both Drs. Pace and Link are independent under the applicable NASDAQ rules and Rule 10A-3 under the Exchange Act.

The Nominating and Governance Committee is responsible for identifying and recruiting new members of the Board of Directors when vacancies arise, identifying and recruiting nominees for election as directors, reconsideration of incumbent directors in connection with nominations for elections of directors and ensuring that the Board of Directors is properly constituted to meet its corporate governance obligations. The current members of the Nominating and Governance Committee are Drs. Pace and Link, each of whom is deemed to be independent under applicable NASDAQ rules.

Each of the Audit, Compensation and Nominating and Governance Committees operates under a separate written charter. Current copies of the charters for each of these committees of the Board of Directors can be found on our website located at <http://www.celsion.com>.

MEETINGS OF THE BOARD AND ITS COMMITTEES

During the fiscal year ended December 31, 2008, there were a total of seven meetings of the Board of Directors. Each director attended all of the meetings of the Board of Directors and the committees on which he served that were held during the period for which he was a director or committee member, respectively. During the fiscal year ended December 31, 2008, the Audit Committee met five times, the Compensation Committee met two times, and the Nominating and Governance committee met once.

DIRECTOR NOMINATIONS

The Nominating and Governance Committee

The Nominating and Governance Committee of the Board of Directors operates under a Charter adopted by the full Board of Directors on December 24, 2003 and amended on February 27, 2006, a current copy of which can be found on our website, located at <http://www.celsion.com>. The role of the Nominating and Governance Committee is to act on behalf of the Board of Directors to ensure that the Board of Directors and its standing committees are appropriately constituted to meet their fiduciary and corporate governance obligations. In this role, the Nominating and Governance Committee is responsible for identifying and recruiting new members of the Board of Directors when vacancies arise, identifying and recruiting nominees for election as directors and reconsidering incumbent directors in connection with nominations for elections of directors. The Nominating and Governance Committee is also charged with: (i) reviewing and recommending changes in the size and composition of the Board of Directors and its committees; (ii) developing and maintaining criteria and processes for selecting candidates for election as directors; (iii) identifying and recruiting candidates to stand for election as directors and determining whether incumbent directors should stand for reelection; (iv) ensuring that the Company and the Board of Directors operates in accordance with current best practices; (v) providing for ongoing director training and education; (vi) reporting to the Board of Directors on Nominating and Governance Committee activities; (vii) annually reviewing the Nominating and Governance Committee's performance of its responsibilities and duties; and (viii) annually reviewing the Nominating and Governance Committee Charter, the structure and the processes and membership requirements of the Nominating and Governance Committee and recommending to the Board any improvements or amendments that the Nominating and Governance Committee considers appropriate or necessary.

Director Qualifications

It is a policy of the Nominating and Governance Committee that candidates for director be determined to have unquestionable integrity and the highest ethical character. Candidates must demonstrate the ability to exercise sound, mature and independent business judgment in the best interests of the stockholders as a whole and may not have any interests that would, in the view of the Nominating and Governance Committee, impair their ability to exercise independent judgment or otherwise discharge the fiduciary duties owed as a director. Candidates must have experience and demonstrated achievement in one or more fields of business, professional, governmental, communal, scientific or educational endeavors which will complement the talents of the other members of the Board of Directors and further the interests of the Company, bearing in mind the composition of the Board of Directors and the current state of the Company and the biotechnical/biopharmaceutical industry generally. In particular, the Nominating and Governance Committee believes it is important for one or more members of the Board of Directors to have in-depth experience in the biotechnical/biopharmaceutical industry. The Nominating and Governance Committee has determined that one or more of its members, including the incumbent nominated to stand for reelection at the Annual Meeting, has such biotechnical/biopharmaceutical experience.

Candidates are expected to have an appreciation of the major issues facing public companies of a size and operational scope similar to the Company, including contemporary governance concerns, regulatory obligations of a public issuer, strategic business planning, competition in a global economy, and basic concepts of corporate finance. Candidates must also have the willingness and capability to devote the time necessary to participate actively in meetings of the Board of Directors and committee meetings and related activities, the ability to work professionally and effectively with other members of the Board of Directors and Company management, and the ability and intention to remain on the Board of Directors long enough to make an effective contribution.

In addition, in accordance with the rules of the SEC and NASDAQ, the Company requires that at least a majority of the directors serving at any time on the Board of Directors be independent, that at least three directors satisfy the financial literacy requirements for service on the Audit Committee and that at least one qualify as an "audit committee financial expert" under those rules.

The Board of Directors has determined that Mr. Gregory Weaver is qualified to serve as the "audit committee financial expert" as defined by Item 407(d)(5) of Regulation S-K and that Drs. Link and Chow meet the financial literacy requirements under applicable SEC and NASDAQ rules. The Board of Directors has also determined that of the five currently serving directors, Drs. Max E. Link, Gary W. Pace, Augustine Chow and Mr. Gregory Weaver, are independent under applicable SEC and NASDAQ rules. Mr. Gregory Weaver acts as the chairman of our Audit Committee. Finally, among candidates who meet the foregoing criteria, the Nominating and Governance Committee also considers the Company's current and anticipated needs, including expertise, diversity and balance of inside, outside and independent directors. In considering the independence of the Director nominated for election, Dr. Pace has no relationship with the Company other than as a Director.

Nominating and Governance Committee Process

In selecting candidates for the Board of Directors, the Nominating and Governance Committee begins by determining whether the incumbent directors whose terms expire at the annual meeting of stockholders desire and are qualified to continue their service on the Board of Directors. Under its charter, the Nominating and Governance Committee is charged with considering incumbent directors as if they were new candidates. However, the Nominating and Governance Committee recognizes the significant value of the continuing service of qualified incumbents in promoting stability and continuity, providing the benefit of the familiarity and insight into the Company's affairs and enhancing the Board of Directors' ability to work as a collective body. Therefore, it is the policy of the Nominating and

Governance Committee, absent special circumstances, to nominate qualified incumbent directors whom the Nominating and Governance Committee believes will continue to make important contributions to the Board of Directors and who consent to stand for re-election. If any member of the Board of Directors does not wish to continue in service or if the Nominating and Governance Committee or the Board of Directors decides not to re-nominate a member, there is an existing vacancy on the Board of Directors, or the Board of Directors, upon the recommendation of the Nominating and Governance Committee, elects to expand the size of the Board of Directors, the following process would be followed:

- The Nominating and Governance Committee develops a profile for candidates' skills and experience, based on the criteria described above.
- The Nominating and Governance Committee initiates a search, polling members of the Board of Directors and management, and retaining a search firm if the Nominating and Governance Committee deems this appropriate.
- The Nominating and Governance Committee has a policy with respect to stockholders' suggestions for nominees for directorships. Under this policy, stockholder nominees are given identical consideration as nominees identified by the Nominating and Governance Committee. The process by which stockholders may submit potential nominees is described below under "Stockholder Recommendation Process."
- The Nominating and Governance Committee then determines the eligibility and suitability of any candidate based on the criteria described above and the Nominating and Governance Committee's search profile.
- The Chairman of the Board of Directors and at least one member of the Nominating and Governance Committee interview prospective candidate(s) who satisfy the qualifications described above.
- The Nominating and Governance Committee offers other members of the Board of Directors the opportunity to interview the candidate(s) and then meets to consider and approve the final candidate(s).
- The Nominating and Governance Committee seeks endorsement of the final candidate(s) from the full Board of Directors.
- The final candidate(s) are nominated by the Board of Directors for submission to a stockholder vote or elected to fill a vacancy.

To date, the Nominating and Governance Committee has not received any recommendations from stockholders and has not retained a search firm to aid in the identification or evaluation of potential nominees.

Stockholder Recommendation Process

The Nominating and Governance Committee will consider director candidates recommended by stockholders, provided that the stockholder making the recommendation follows the procedure set forth below. Stockholder recommendations should be submitted to the Company in writing, as follows:

Corporate Secretary
Celsion Corporation
10220-L Old Columbia Road
Columbia, Maryland 21046-2391

Suggestions received by the Secretary before [] will be considered by the Nominating and Governance Committee for nomination and election at the 2010 annual meeting of stockholders.

A stockholder's notice to the Secretary must set forth:

- (a) as to each stockholder-proposed nominee:
 - (i) the name, age, business address and residence address of the nominee;
 - (ii) the principal occupation or employment of the nominee;
 - (iii) an undertaking to provide a completed director's and officer's questionnaire in the form required by the Company within two weeks of the submission;
 - (iv) a statement as to the nominee's citizenship; and
 - (v) any other information relating to the nominee that is required to be disclosed in solicitations for proxies for election of directors pursuant to Section 14 of the Exchange Act and the rules and regulations promulgated thereunder; and

- (b) as to the stockholder giving the notice:
 - (i) the name and record address of the stockholder; and
 - (ii) the number of shares of Common Stock that the stockholder beneficially owns.

The Company or the Nominating and Governance Committee may require a stockholder who proposes a nominee to furnish such other information as may reasonably be required by the Company to determine the eligibility or suitability of the proposed nominee to serve as director of the Company.

Revisions to Process

The Nominating and Governance Committee and stockholder recommendation processes have been developed to provide a flexible framework to permit the director nomination process to move forward effectively. The Nominating and Governance Committee intends to review these processes from time to time in light of the Company's evolving needs and changing circumstances, as well as changes in legal requirements and stock exchange listing standards. The Nominating and Governance Committee may revise these processes or adopt new ones based on such periodic reviews.

STOCKHOLDER COMMUNICATIONS

The Board of Directors has adopted a process through which interested stockholders may communicate with the Board of Directors. Stockholders who wish to send communications to the Board of Directors, or any particular director, should address such communications to Sean F. Moran, Corporate Secretary, at the Company's headquarters in Columbia, Maryland. The envelope containing any such communication should be prominently marked "To the Attention of the Board of Directors" or to a particular committee or director, and the communication should include a representation from the stockholder indicating the stockholder's address and the number of shares of the Company's Common Stock beneficially owned by the stockholder. Our Corporate Secretary is primarily responsible for monitoring communications from stockholders. Depending upon the content of a particular communication, as he deems appropriate, our Corporate Secretary will: (i) forward the communication to the director, directors or committee to whom it is addressed; (ii) attempt to handle the inquiry directly, for example where it is a request for information about the Company or it is a stock-related matter; or (iii) not forward communications such as solicitations, junk mail and obviously frivolous or inappropriate communications. At each meeting of the Board of Directors, the Corporate Secretary will

present a summary of all communications, whether or not forwarded, received since the last meeting and will make those communications available to the directors on request.

BOARD ATTENDANCE

The Board of Directors strongly encourages all directors, to the extent reasonable and practicable, to attend the Company's annual meetings of stockholders in person. All of the current Board members were present at last year's annual meeting.

REPORT OF THE AUDIT COMMITTEE

The Audit Committee operates under a written charter as amended and restated effective May 4, 2007. A copy of the charter is available on our web site, located at <http://www.celsion.com>. Additional copies of the charter are available upon written request to the Company. All members of the Audit Committee meet the independence standards established by the SEC and NASDAQ. In addition, the Board of Directors has made the affirmative determination that none of the independent directors has a material relationship with the Company and that the Audit Committee members meet the additional independence requirements set forth in Rule 10A-3 under the Exchange Act.

The Audit Committee assists the Board in fulfilling its responsibility to oversee management's implementation of the Company's financial reporting process. In discharging its oversight role, the Audit Committee reviewed and discussed the audited financial statements contained in the Company's 2008 Annual Report on Form 10-K with the Company's management and the Company's independent registered public accounting firm. Management is responsible for the financial statements and the reporting process, including the system of internal controls. The Company's independent registered public accounting firm is responsible for expressing an opinion on the conformity of those financial statements with accounting principles generally accepted in the United States.

The Audit Committee met privately with the Company's independent registered public accounting firm and discussed issues deemed significant by the independent registered public accounting firm, including those required by Statement on Auditing Standards No. 114 (The Auditor's Communication with those Charged with Governance), as amended. In addition, the Audit Committee discussed with the independent registered public accounting firm its independence from the Company and its management, including the matters in the written disclosures and the letter received from the independent registered public accounting firm as required by applicable requirements of the Public Company Accounting Oversight Board regarding the independent accountant's communications with the audit committee concerning independence, and considered whether the provision of non-audit services by the independent registered public accounting firm was compatible with maintaining the independent registered public accounting firm's independence. The Audit Committee also met with the independent registered public accounting firm, with and without management present, to discuss the results of the independent registered public accounting firm's examination, their evaluation of the Company's internal controls, and the overall quality of the Company's financial reporting.

In reliance on the reviews and discussions outlined above, the Audit Committee recommended to the Board that the audited financial statements be included in the Company's 2008 Annual Report on Form 10-K for filing with the Securities and Exchange Commission.

Tardugno, which supersedes our previous employment agreement with Mr. Tardugno and pursuant to which Mr. Tardugno continues to serve as our President and Chief Executive Officer. Subject to earlier termination pursuant to the terms of the agreement, the initial term of the agreement shall end on January 1, 2013 with automatic one (1) year renewals thereafter, unless either party provides a notice of non-renewal. Mr. Tardugno's employment agreement provides for an initial annual base salary of \$360,500, subject to annual adjustment by the Board of Directors of the Company or the Compensation Committee (the "Base Salary"). Mr. Tardugno is also eligible for an annual performance bonus from the Company, pursuant to the Company's management incentive bonus program, or policy or practice of the Board or its Compensation Committee, in effect from time to time. The amount of such bonus will be determined by the Board or its Compensation Committee in its sole and absolute discretion and will not exceed 70% of the then-current Base Salary except pursuant to a specific finding by the Board or its Compensation Committee that a higher percentage is appropriate. Under the Agreement, the Company agreed to grant to Mr. Tardugno, at the time of its usual annual grant to

employees, annual stock options to purchase shares of the Company's common stock as the Board or its Compensation Committee shall determine.

In the event, (A) that the Company terminates the agreement other than for "cause" (as defined in the agreement) or (B) Mr. Tardugno terminates the agreement upon the occurrence of (i) a material adverse change in his duties or authority; (ii) a situation in which he is no longer at least one of the President or the Chief Executive Officer of the Company; (iii) a bankruptcy filing or similar action by or against the Company; or (iv) another material breach of the Agreement by the Company (each, a "Triggering Event"), Mr. Tardugno will be entitled to receive a severance payment equal to his base annual salary at the time of termination (the "Reference Amount"), payable in accordance with the Company's normal payroll practices and may exercise any vested options within one (1) year of his termination date, after which time any unexercised options shall be forfeited.

The agreement also provides that such severance is payable following a change in control if Mr. Tardugno elects to terminate his employment for any reason or no reason commencing with the sixth and ending with the twelfth month following the change in control. Under the agreement, a "change in control" is deemed to occur: (i) if any person becomes the direct or indirect beneficial owner of more than 50% of the combined voting power of the Company's then-outstanding securities; (ii) there is a change in a majority of the directors in office during any twenty-four (24) month period; (iii) the Company engages in a recapitalization, reorganization, merger, consolidation or similar transaction after which the holders of the Company's voting securities before the transaction do not continue to hold at least 50% of the voting securities of the Company or its successor after the transaction; or (iv) upon the complete liquidation or dissolution of the Company or the sale or other disposition of substantially all of its assets after which the holders of the Company's voting securities before such sale or disposition do not continue to hold at least 50% of the voting securities of the Company or its successor after such sale or disposition.

In the event that Mr. Tardugno is terminated for cause or is receiving severance payments contemplated under the employment agreement, Mr. Tardugno shall, among other things, not provide any services, directly or indirectly, to any other business or commercial entity in the Company's "Field of Interest" (as such term is defined in his employment agreement), solicit any customers or suppliers of the Company, directly or indirectly, or employ or seek to employ an employee of the Company for a period of two years following the date of termination. The Company and Dr. Borys entered into an employment offer letter on August 23, 2007, pursuant to which Dr. Borys agreed to serve as the Vice President and Chief Medical Officer of the Company. Under the terms of the offer letter, the Company agreed to pay Dr. Borys an annual starting salary of \$270,000, subject to annual review. Dr. Borys is also eligible for an annual bonus, with a target of 35% of his annual base salary, conditioned on his and the Company's performance against key performance objectives, and annual discretionary stock option awards. Material Terms of Non-Equity Incentive Awards

The Company has an incentive compensation plan in which all members of senior management participate. The plan is performance driven based on objectives that are established annually by mutual agreement of management and the Compensation Committee. The objectives are operational in nature and include completion of development projects, fund raising, cost controls, business development and profit and loss goals. They may from time to time include share price objectives, however, as all of the operating objectives are ultimately directed at creating shareholder value. The objectives are designed to achieve timely and efficient product development including completion of clinical studies and regulatory approvals. Executives are individually evaluated for their contribution to the Company's achievement of these objectives. Payouts under this plan, which can be as high as 70% of the base salary for the C.E.O., can be in cash or restricted stock with various vesting provisions. This component of compensation is provided, among other reasons, to create incentives for executives to meet short and medium term performance goals of the Company, without regard to the stock price. Objectives are weighted in terms of overall importance to meeting the Company's operating plan and the amount of the reward is determined on a sliding scale dependent on the achievement of objectives and the relative importance of the objectives achieved.

Pursuant to his employment agreement, Mr. Tardugno is eligible for annual non-equity incentive compensation targeted as 70% of his base salary amount. On February 14, 2009, Mr. Tardugno received an annual bonus payment \$85,750 representing 24% of his base salary, which was based on his and the Company's performance in 2008. For 2008, Mr. Tardugno's incentive compensation was based upon four major company objectives that were weighted as follows: progress in patient enrollment for the primary liver clinical trial (25%), commencement of a recurrent chest wall breast cancer clinical trial (20%), ensure reliability and scalability of Thermodox manufacturing process (15%), and various financial and management initiatives (40%).

Dr. Borys is eligible for a non-equity incentive compensation targeted at 35% of his base salary. On February 14, 2009, Mr. Borys received an annual bonus of \$23,625, representing 8.4% of his base salary amount, which was based on his and the Company's performance for 2008. For 2008, Mr. Borys' incentive compensation was based upon four major company objectives that were weighted as follows: progress in patient enrollment for the primary liver clinical trial (30%), commencement of the recurrent chest wall breast cancer clinical trial (30%), development of product pipeline (15%), and various financial and management initiatives (25%).

Mr. Tardugno was paid \$44,900 of Other Compensation during 2008 which represents a gross up allowance for income taxes owed on the \$140,000 relocation allowance paid to Mr. Tardugno in 2007.

During the year ended December 31, 2008, each director who was not also an officer of the Company received annual cash compensation in the amount of \$25,000 payable quarterly, and an additional \$1,000 for attendance at special meetings of the Board of Directors and each meeting of a committee of the Board of Directors that was not held in conjunction with a meeting of the Board of Directors. Each other non-executive director is reimbursed for his out-of-pocket costs of attending meetings of the Board of Directors and of committees of the Board of Directors. Additionally, the Chairman of the Audit Committee received an additional annual cash fee of \$8,000 and the Chairman of the Compensation Committee received an additional annual cash fee of \$5,000.

SECTION 162(M)

Section 162(m) of the Internal Revenue Code provides for non-deductibility, in certain cases, of compensation paid to certain executives in excess of \$1 million per year. The Company does not have a policy limiting compensation to amounts deductible under Section 162(m). The Company's compensation plans are designed so that qualified performance-based awards issued under the plans would not be subject to Section 162(m) limits. Section 162(m) limits would apply to salary, non-performance based bonuses, restricted stock awards that are not performance based and certain amounts included under "All Other Compensation" in the Summary Compensation Table.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

During fiscal 2008, the Compensation Committee of the Board of Directors was comprised of Drs. Gary W. Pace and Max E. Link and Mr. Gregory Weaver. No interlocking relationships exist

between any of these members of the Compensation Committee or any executive officer of the Company and any other of the members of the Company's Board of Directors or Compensation Committee.

TRANSACTIONS WITH RELATED PERSONS, PROMOTERS AND CERTAIN CONTROL PERSONS

In October 2007, the Company entered into an advisory agreement with Dr. Kris Venkat, one of its then directors, pursuant to which Dr. Venkat was to provide at least 60 days of consulting services per year to the Company for an initial term lasting through August 2009. Dr. Venkat's services under this advisory agreement were in addition to his services as a director and included providing: (i) strategic business and tactical advice to the Company regarding its development, management and personnel; (ii) assistance with the Company's heat-activated liposome business; (iii) assistance with developing a financial and business development strategy and securing additional capital and/or financing, and (iv) identifying potential investors that meet the Company's objectives.

As compensation for his consulting services, the Company was obligated to pay Dr. Venkat a fee of \$55,000 per year during the term of the agreement, and upon prior approval by the Company, an additional \$1,000 per day for any time expended beyond 60 days. In addition to the fees, the agreement provided for performance-based incentive options to purchase up to 15,000 shares of common stock, exercisable only if certain business development milestones were reached. The agreement also granted Dr. Venkat an option, not subject to performance conditions, for the purchase of 10,000 shares of Common Stock at a price of \$5.84 per share, which expired on March 3, 2008 with the passing of Dr. Venkat.

With the passing of Dr. Venkat, this agreement terminated effective March 2, 2008.

POLICIES AND PROCEDURES FOR REVIEW, APPROVAL OR RATIFICATION OF TRANSACTIONS WITH RELATED PERSONS

The Company has written policies and procedures in place to identify transactions with related parties that may be reportable under Item 404(a). The Company maintains a list of known related parties, including directors, executive officers, affiliated companies and others with whom the Company may transact business from time-to-time during the year. Transactions that may be reviewed for related party treatment in the Company's audited financial statements and proxy statement include the transactions involving the sale of business lines, financing or capital raising transactions, contracted research and development arrangements, contracts for clinical research and testing, and contracts outside of the normal course of business. The Audit Committee of the Board of Directors, which includes Mr. Gregory Weaver (Chairman) and Drs. Max Link and Augustine Chow, reviews and approves transactions with related parties, if any, to ensure they were performed at arm's length and in the best interests of the Company's stockholders, and have been appropriately accounted for and disclosed in the Company's audited financial statements, proxy statements and other SEC filings.

PROPOSAL NO. 2:

AMENDMENT TO THE CERTIFICATE OF INCORPORATION OF THE COMPANY TO DECREASE THE COMPANY'S AUTHORIZED STOCK

The Board of Directors has determined that it is advisable to decrease our authorized shares of all classes of stock from 250,100,000 to 75,100,000 and the number of authorized shares of Common Stock from 250,000,000 to 75,000,000, and has voted to recommend that the stockholders adopt an amendment to our Certificate of Incorporation effecting the proposed decreases. The text of the proposed amendment to our Certificate of Incorporation follows:

"The first sentence of the first paragraph of Article FOURTH of the Certificate of Incorporation shall be deleted in its entirety and the following shall be substituted in lieu thereof:

The total number of shares of all classes of stock which the Corporation shall have authority to issue is 75,100,000 shares, consisting of (i) 75,000,000 shares of Common Stock, par value \$0.01 per share ("Common Stock"), and (ii) 100,000 shares of Preferred Stock, par value \$0.01 per share ("Preferred Stock")."

As of March 31, 2009, [10,156,350] shares of our Common Stock were issued and outstanding (excluding treasury shares) and 2,763,334 shares were reserved for issuance upon the conversion of existing securities and exercise of options granted under our 2001, 2004 and 2007 Stock Incentive Plans. A total of 1,380,443 shares of common stock are available for future issuance under our 2007 Stock Incentive Plan. The number of authorized and unreserved shares of Common Stock available for future issuance, including treasury shares, is 237,080,346. There are no shares of any other class of the Company's stock issued, outstanding, held as treasury shares, reserved for issuance or available for future issuance under any plan of the Company.

We are asking stockholders to approve an amendment to our Certificate of Incorporation to decrease the number of authorized shares of all classes of stock from 250,100,000 to 75,100,000 and the number of authorized shares of Common Stock from 250,000,000 to 75,000,000. Our Board of Directors believes that this decrease is advisable because a reduction in the number of our authorized shares of all classes of stock will result in significantly lower franchise tax due to the State of Delaware, which is the state in which we are incorporated. The State of Delaware imposes a franchise tax on corporations that are incorporated under the laws of that state, and the franchise tax is calculated using the number of a corporation's authorized shares of all classes of stock as part of the calculation. **The amount of this tax will be decreased if we reduce the number of our authorized shares of common stock.** We believe that having 75,100,000 authorized shares of all classes of stock and 75,000,000 shares of Common Stock will give us sufficient flexibility for corporate purposes for the foreseeable future.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE "FOR" THE PROPOSAL TO AMEND THE CERTIFICATE OF INCORPORATION OF THE COMPANY TO DECREASE THE COMPANY'S AUTHORIZED STOCK.

**PROPOSAL NO. 3: RATIFICATION OF SELECTION OF
INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

The Audit Committee has appointed Stegman & Company ("Stegman") as the independent registered public accounting firm of the Company to audit its financial statements for the fiscal year ending December 31, 2009, and the Board requests stockholder ratification of such selection. Stegman has served as the Company's independent accountants since our 1993 fiscal year, and has advised the Company that neither Stegman nor any of its members has, or has had in the past three years, any financial interest in the Company or any relation to the Company other than as auditors and accountants.

Representatives of Stegman are expected to be present at the Annual Meeting, will be given the opportunity to make a statement if they so desire and are expected to be available to respond to appropriate questions.

FEES

The following table presents fees for professional audit services rendered by Stegman for the audit of the Company's annual financial statements and review of financial statements included in the Company's Forms 10-Q for the fiscal years ended December 31, 2008 and December 31, 2007, and fees for other services rendered by Stegman during those periods:

FEE CATEGORY	FISCAL YEAR 2008		FISCAL YEAR 2007	
	AMOUNT	% OF TOTAL	AMOUNT	% OF TOTAL
Audit Fees	\$ 91,250	74	\$ 71,500	68
Audit Related Fees	17,500	14	17,500	17
Tax Fees	7,500	6	7,000	6
All Other Fees	6,475	6	9,625	9
Total Fees	<u>\$122,725</u>	<u>100</u>	<u>\$105,625</u>	<u>100</u>

Audit fees consist of fees for professional services rendered by Stegman for the audit of the Company's annual financial statements and for reviews of the quarterly financial statements included in the Company's Forms 10-Q. Tax fees consist of fees for preparation of the Company's federal and state tax returns. Audit related fees pertain to the audit for compliance with Section 404 of the Sarbanes-Oxley Act. All other fees consist of fees for attendance at the Company's annual meetings, review of registration statements and similar matters. Stegman rendered no financial information systems design and implementation services to the Company during fiscal years 2008 and 2007 and, therefore, no fees were charged for such services during those periods.

SERVICES BY EMPLOYEES OF STEGMAN & COMPANY

No part of Stegman's engagement to audit the Company's financial statements for the fiscal year ended December 31, 2008 was attributable to work performed by persons other than Stegman's full-time, permanent employees.

AUDIT COMMITTEE POLICY ON APPROVAL OF AUDIT AND NON-AUDIT SERVICES

It is the policy of the Audit Committee to pre-approve all audit and permissible non-audit services provided by the Company's independent accountants, in accordance with rules prescribed by the SEC. These services may include audit services, audit-related services, tax services, and other services. Pre-approval is based on a written proposal, accompanied by a cost estimate and estimated budget. The Audit Committee has delegated to its Chairman the authority to pre-approve audit and non-audit services with an estimated cost of up to \$25,000, provided the exercise of such authority is reported to the Audit Committee at its next regular meeting. The Audit Committee reserves the right, from time to time, to delegate pre-approval authority to other of its members, so long as such members are independent directors.

All of the services of Stegman during fiscal years 2008 and 2007 were approved by the Audit Committee in accordance with its pre-approval policy and the approval requirements of the SEC.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE "FOR" THE PROPOSAL TO RATIFY THE SELECTION OF STEGMAN AS THE INDEPENDENT REGISTERED

PUBLIC ACCOUNTING FIRM FOR THE COMPANY FOR THE FISCAL YEAR ENDING DECEMBER 31, 2009.

Stockholder ratification of the selection of Stegman as the Company's independent registered public accounting firm is not required by the Company's Bylaws or other applicable legal or regulatory requirements. However, the Board, upon the recommendation of the Audit Committee, is submitting the selection of Stegman to the stockholders for ratification as a matter of good corporate practice. If the stockholders fail to ratify the selection of Stegman, the Audit Committee will reconsider whether or not to retain that firm, or whether to retain a different firm. Even if the selection is ratified, the Audit Committee, in its discretion, may direct the appointment of a different independent accounting firm at any time during the year if it determines that such a change would be in the best interests of the Company and its stockholders.

**PROPOSAL NO. 4: TO ADJOURN THE ANNUAL MEETING TO ANOTHER TIME OR PLACE
FOR THE PURPOSE OF SOLICITING ADDITIONAL PROXIES, IF PROPOSED**

If a quorum shall not be present or represented at the Annual Meeting or if the number of shares of Common Stock present or represented and voting in favor of a proposal is insufficient to approve such proposal, the chairman of the Annual Meeting or, if a proposal to adjourn is submitted to the stockholders, the stockholders of the Company present in person or by proxy, have the power to adjourn the Annual Meeting from time to time, without notice other than announcement at the Annual Meeting, until holders of the requisite number of shares of Common Stock shall be present or represented. At any adjourned Annual Meeting, if the relevant quorum is constituted, any business may be transacted which might have been transacted at the Annual Meeting as originally called.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE "FOR" THE PROPOSAL TO ADJOURN THE ANNUAL MEETING TO ANOTHER TIME OR PLACE FOR THE PURPOSE OF SOLICITING ADDITIONAL PROXIES, IF PROPOSED.
